Academic Awardee 2026

University of St. La Salle - Bacolod

Secondary Education | Graduated 2022

With High Honors

PERSONAL DATA

Date of Birth: September 2003

Place of Birth: Bacolod City

Age: 22

Sex: Male

Nationality: Filipino

Civil Status: Single

PROFESSIONAL SKILLS

- Project Planning and Coordination
- Problem Solving and Critical Thinking
- Team Collaboration and Communication
- Research and Documentation
- Creativity and Innovation
- Time Management
- Attention to Detail
- Adaptability
- Leadership and Initiative

SKILLS

Programming:

Python, C#, JavaScript, HTML, CSS

Tools:

Unity, Blender, Visual Studio Code, Git, Canva, PowerPoint, Excel

Technologies:

Computer Vision, Web Development, 3D Modeling, Data Visualization

Creative Skills:

Video Editing, Graphic Designing, Content Creation, Photography

PROJECTS

ParkAlisto (Smart Parking Detection System)

Project Lead | Python, Computer Vision, Web Technologies

- Built a computer vision system that detects parking slot availability in real time.

(ParkAlisto - Representative of the Negros Island Region in the CHED RAISE 2026, National Summit in the Philippines)

MathVille Ventures (3D Educational Game)

Project Lead - Developer | Unity, Blender, C#

- Developed a 3D math learning game where players solve arithmetic problems to build a village. Integrated point-based systems and math-powered abilities.

UniSpot (Student Accommodation Platform)

Product Manager | HTML, CSS, JavaScript

- Led the creation of a platform that helps students find affordable, safe, and nearby accommodations. Included property listings, reviews, and booking features.

CCTV Security Assessment and Security Management Web-App

IT Intern | HTML, CCS, JavaScript

- Developed CCTV Web-App Management system for real-time monitoring, camera control, and secure video access across multiple locations.
- Conducted a full CCTV evaluation and upgrade plan for multiple facilities to enhance company security and monitoring.

INTERESTS

- Tech Startups and Innovation
- Artificial Intelligence Applications
- Smart City Technologies
- AI Prompt Engineering
- Tech Community Engagement
- Multimedia Content Creation

LEADERSHIP AND COMMUNITY ENGAGEMENT

Computer Science Society - USLS

- Secretary, Cultural Affairs (2023 - 2024)
- Member (2022 - 2025)

AWS (Amazon) Learning Club - USLS

- Member (2025)

Google Student Developers - USLS

- Member (2022 - 2023)

SEMINARS & TRAININGS

AWS Community Day

Full-Stack Web Developer, Modernization Head at ECVPH

- Speaker: Raphael Justin Jambalos

CSS Talks: Data Visualization

Visual Techniques for Clear and Effective Data

- Speaker: Dr. Jim Jonathan Decripito
